Dear Carolyn,

My apologies for the delay - I'd like to confirm that my views on the legal interpretation of the core provisions of the Water Act have not changed and my previous submissions on the matter remain my views.

I will however endeavour to prepare a short submission to Issues Paper 2 drawing on my past work in this area. I will do my best to get this to you by Friday, but I'm hoping you may still accept this by Monday. I'm in the middle of a very busy patch and water law is not my core focus at the moment.

with best wishes,

Anita Foerster
