## **Cooperating with SA Murray-Darling Royal Commission**

Minister for Agriculture and Water Resources David Littleproud has confirmed the Commonwealth has written to the SA Royal Commissioner to advise the Commonwealth will make written submissions and provide additional supporting information to the South Australian Royal Commission.

“The Commonwealth anticipates that written submissions and additional supporting information will be provided to the Commission by 10 October 2018,” Minister Littleproud said.

“As always, the government will continue concentrating on the important task of delivering the Basin Plan in full and on time”.
