Local government

State government

Federal government

28/8/16 Flood event 7.5meter river in Goondiwindi. Equivalent on our property to a record Goondiwindi flood of 10.84 meter.

31/8/16 Bruce Lamey calls the chair of Border rivers food and fibre (border rivers irrigator lobby group) David Coulton. David tells us he doesn't want to get involved.

1/9/16 Bruce calls Goondiwindi regional councillor David Turner (ex irrigator rep for GRC on MDBA northern panel).

1/9/16 John Norman contacts Bruce about the problem

2/9/16 Bruce calls Department of Natural resource water and mines in Goondiwindi (Ainslee Hempseed).

2/9/16 John Norman contacts Bruce about reporting problems.

3/9/16 Tony Taylor informs Lamey of evidence provided to the DNRWM investigation into Norman Farming defrauding the DNRWM. The evidence was said to be provided to the DNRWM directly after an exhaustive process with the QLD Ombudsman with the assistance of a criminal lawyer to make sure the two lots of books provided as evidence are as secure as legally possible.

6/9/17 GRC ask WaterNSW about Normans DA. cannot raise flood peak by more than 0.2 compared to pre-development, no redistribution more than 5%, no more velocity of more than 50%.

10/9/16 Lameys hire a helicopter to investigate flooding irregularity. Massive amounts of earthworks built since the last flood in 2013 by Norman Farming on John Normans Farms, Aileen Normans farms and Mark Palfreymans farm.

10/9/16 Lameys witness water theft while in the helicopter. Via a pipe that he has been using for 8 years by sunwater with no prosecutions.

12/9/16? onsite visit of our farm by DNRWM Ainslee Hempseed and GRC councillor David Turner, Dion Jones council engineer. Dion immediately identifies illegal structures with no approvals.

29/10/16 Brownhalls receipt and tells me it is inappropriate to respond.

19/10/16 Meeting called in town after other property owners complain of no beneficial flood water reaching their farms downstream of Normans.

DNRWM send Deputy director general Alan Feely (who doesn't attend due to illness), Southern Director Wally Kearnan QLD surface water manager Jim Weller. Goondiwindi officer Ainslee Hempseed, as well as other officers out of the Toowoomba office maybe 3. (odd to have the second top bureaucrat in the dept want to drive 6.5hours to talk to us about 2 farms being flooded and others not getting flood water).

After I tell my flooding story Jim Weller approaches me and tells me out of the blue there is no corruption in his dept.

19/10/16 John Norman is seen dining with the DNRWM people that night (I have no photos to prove at present currently only hearsay).

21/10/16 Cotton rivercare field day on Normans, our farm still too wet to do anything
