Dear Carolyn

Apologies – I didn't realise it hadn't formatted properly.

The themes of interest are as follows:

- The statutory consequences of the approach taken by the MDBA
- The Northern Basin Review.
- Efficiency measures and the 450GL.
- Compliance and enforcement issues
- Darling River and Menindee Lakes (NB with a particular emphasis on the Water Sharing Plan for the Barwon Darling Unregulated and Alluvial Water Sources 2012).

Kind Regards

Emma

Dear Ms Carmody

I refer to your notice of intention that was lodged on 11 June. The document that we received is attached and as you will see it is difficult to read the **themes/topics of interest** section. Could you please email me the detail that was included in that section so that we can discuss your request with the Commissioner. Many thanks.

Kind regards

Carolyn
