Dear Ms Masters

Murray-Darling Basin Royal Commission | proposed voluntary assistance

We refer to our letter to you dated 27 August 2018 in which we advised that the Commonwealth and the Murray-Darling Basin Authority (MDBA) would be considering the Commissioner's invitation of 15 August 2018 for the submission of evidence and/or material on the matters which are before the Commission once the High Court proceedings were discontinued.

We also refer to your subsequent letter dated 7 September 2018 regarding the Commissioner's invitation for the Commonwealth and the MDBA to appear in person before the Commissioner.

We are instructed to advise that the Commonwealth and the MDBA have considered both invitations and propose to voluntarily participate in the Commission's proceedings by providing written submissions, and some additional supporting information by no later than 10 October 2018.

We are also instructed to advise that the Commonwealth and the MDBA do not wish to take up the invitation to appear in person.

If you have any questions or would like to discuss please contact me on the details below.

Yours sincerely
