Commissioner Walker  
Murray-Darling Basin Royal Commission  
Level 9 East, 50 Grenfell St  
ADELAIDE SA 5000

Dear Commissioner Walker

Please find enclosed the Murray-Darling Basin Authority's submission to the South Australian Murray-Darling Basin Royal Commission.

Our submission guides the Commission through extensive work undertaken by the Murray-Darling Basin Authority throughout our almost ten year history. We have referenced key documents which I hope you find informative.

I have been asked to clarify that, further to recent correspondence you have sent, the Hon Craig Knowles was in fact a previous Chair of the Murray-Darling Basin Authority, not its Chief Executive.

Consistent with existing arrangements, I would appreciate you continuing to provide all correspondence through the Australian Government Solicitor.

Yours sincerely

Russell James  
Acting Chief Executive
